PROFILE

Google UX Design certified and AI-specialized UX Designer with a passion for creating intuitive, user-centered digital experiences. I have hands-on experience designing interfaces that solve real-world problems and enhance usability. Highly organized, detail-oriented, and a strong communicator, I excel at translating research insights into seamless, engaging designs and collaborating effectively with cross-functional teams to deliver impactful solutions.

WORK EXPERIENCE

UX DESIGNER | PERSONAL PROJECTS & CASE STUDIES

Independent

November 2024- Present

- Designed user flows, wireframes, and high-fidelity UI in Figma for mobile & desktop apps
- Conducted user research and usability testing to validate design decisions
- Built responsive screens using auto-layout, components, and styles
- Designed AI-enhanced workflows and assistant interaction patterns

FREELANCE DIGITAL MARKETER

Independent

January 2020 - 2025

- Collaborated with small businesses and managed social media campaigns, created engaging content, and optimized websites for performance.
